**The Best Cough Syrup**  
**is Home-made.**  
Here's an easy way to cure it, and  
yet have the best cough remedy  
you ever tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of people who won't over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly earn it a permanent place in your home.

Into a pint bottle, pour 2½ ounces of Pinex; then add plain granulated sugar syrup to fill up the pint. Or, if desired, use clarified molasses, honey, or corn syrup instead of sugar syrup. Either way, it tastes good, never spoils, and gives you a full pint of better cough remedy than you could buy ready-made for three times its cost. It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments. To avoid disappointment ask your druggist for "2½ ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

### HOT TEA BREAKS A COLD—TRY THIS

Get a small package of Hamburg Bread Tea at any pharmacy. Take a tablespoonful of this Hamburg tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoonful at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieves congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

### SAYS ACID STOMACH CAUSES INDIGESTION

Excess of hydrochloric acid sours the food and forms gases.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. This fermentation sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea. He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescent and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

## SAYS COMPLEX TAX FORMS AID PUBLIC

**Talbert Explains Details of Income Assessment to Credit Men.**

That the complexity of the income tax report forms is for the benefit of the taxpayer, was the opinion expressed last night by R. H. Talbert, chairman of the committee on reviews and appeals, before fifty members of the Washington Association of Credit Men at the Franklin Square Hotel.

Mr. Talbert declared that the forms could not be simplified any further, and that every provision that tends to make the filing of one's return more difficult is generally a provision to lighten the burden of the taxpayer.

**Here To Stay Awhile.**  
"The income tax will be with us for many years to come," said Mr. Talbert. "For a number of years the Government will have to raise from three to four billion dollars a year to pay the war debt, the elimination of \$500,000,000 annual revenue that formerly came in from the tax on liquors, and to provide for the ever-increasing activities of the Government."

In the payment of large income taxes by corporations, proper provision must be made, said Mr. Talbert, so that payments may be met on the specified dates. In this connection the Treasury is issuing certificates of indebtedness that fall due on the dates when income taxes must be paid, and many large taxpayers are taking advantage of this means of meeting their payments.

**Bring Pressure to Bear.**  
Mr. Talbert said that pressure is being brought to bear upon certain members of Congress to use their influence to do away with the excess profits tax.

In answer to a question whether a firm sustaining a net loss in 1919 would be entitled to draw upon the taxes paid to the Government for 1918 in order to meet the deficit, Mr. Talbert said that the law provides for such contingencies, and that the tax for 1918 or 1917 may be recomputed.

### SENATE GETS PLAN TO CREATE AIR DEPARTMENT

**Postal Men Give Views Today On Control and Training of Mail Pilots.**

Creation of a special department of the Government for the supervision of all activities in the air to be known as the Department of the Air is proposed in a bill before the Senate today.

In conjunction with this the Senate Postoffice Committee will meet today to hear representatives of the Postoffice Department. They will give their views on the desirability of having the control of the purchase and training of the air mail force and men in the charge of the Postoffice Department or the new department.

It is a question which will be decided before the new bill, now before the Senate is passed.

### SUBSCRIBE \$100 FOR TABLET TO ROOSEVELT

The Audubon Society subscribed \$100 for the placing of a memorial tablet to Theodore Roosevelt at the twenty-third annual meeting of the society at the National Museum Tuesday night.

Dr. Paul Bartsch gave an illustrated lecture on "Birds of the District." He advocated the purchasing and placing of suitable drinking fountains for birds of Washington.

The officers of the society for the ensuing year are: Job Barnard, president; Dr. T. S. Palmer, vice president; Miss Helen P. Childs, secretary, and Miss Mary Brickenstein, treasurer.

### S. C. HOUSE REJECTS ANTI-NICOTINE BILL

COLUMBIA, S. C., Jan. 29.—The South Carolina house of representatives by unanimous vote rejected the anti-nicotine bill passed last week by the senate. The judiciary committee made an unfavorable report, and its report was accepted.

The defeated measure would have prohibited the using of tobacco in public dining rooms and restaurants.
